Hey Men,

The time has come. I hope all of you will join with us in thanking God for His Blessing and constant help as we have been planning this event.

You will notice that Gene Mixon is taking the place of Mark Matson in the first session of the conference. As most of you know Mark and Sandy's daughter Kayla was in a very bad car accident a couple of weeks ago and has been in the hospital. It would appear that she will need to be there for some time yet, and Mark is needed by his family during this difficult time. Please pray for Mark, Sandy and family, that God will give His peace and bring healing for Kayla.

We are very excited to have Frat Aho, Randy Kinnunen and Rick Wiinikka willing to lead the singing for this weekend, and we pray that our time of worship will be a blessing to our Heavenly Father and an encouragement to each one of us.

I want to make sure everyone planning to spend the night is aware we need to bring our own bed roll. It can be just a blanket and pillow or a sleeping bag; the bunks do have a mattress on them. Also bring your own soap and bath towel.

The Master's Mission is sponsoring this event with a one time donation to help cover the budget short fall created by setting the registration fee at \$80.00 per person when the actual cost will be much higher. Their support makes it possible to charge an amount that allows most men to come and enjoy this time of fellowship and learning without over stressing their budget. We will plan to take a free will offering on Saturday for The Master's Mission, and I would ask that if you are able to support The Master's Mission in this way please do so. We are very thankful for the help and support they have given us as we prepare for this conference.

Due to the large number of men we are going to have at the conference, it will not be possible to have a live question and answer time during the teaching sessions. The teachers will be available at any time during the weekend to answer your questions one on one. We will have time to ask a few questions during the teaching sessions, and I would like you to help me come up with those questions.

If you could email me your question and let me know which topic your question is in regards to we will come up with a few questions for the end of each teaching session.

Enclosed you will also find a schedule of events, directions and a map to Crestview Conference Center.

We look forward to seeing you all there. Continue to pray that God will bless our time together.
